List of hydrocarbon licences in Greenland

This list of hydrocarbon licences in Greenland is prepared by the Ministry of Industry and Energy.

The list is primarily prepared to provide information regarding hydrocarbon licences and applications. The list includes applications for hydrocarbon exploration and exploitation licences and prospecting licences.

The list is divided into the following sections:

Section I

Applications for hydrocarbon exploration and exploitation licences and prospecting licences received that are being processed by the authorities. The identity of an applicant will not be disclosed until the application has been decided upon. When an application for either an exploration and exploitation licence or a prospecting licence has been decided upon, an appropriate entry will be made in section II and section III, and the corresponding entry deleted from section I.

Section II

Active hydrocarbon exploration and exploitation licences (exclusive).

Section III

Active hydrocarbon prospecting licences (non-exclusive).

I. EXPLORATION LICENCES (EXCLUSIVE) AND PROSPECTING LICENCES (NON-EXCLUSIVE) FOR HYDROCARBONS APPLIED FOR WHICH ARE BEING PROCESSED

List of applications for exclusive licences

Currently no applications
